A LETTER TO OUR SCHOOL FAMILIES

Dear Friends

As we consider enrolment for your children, I would like to welcome you into the St. Agnes' Parish Schools. Our schools seek to meet the educational needs of the enrolled children and those needs can be many and varied.

We are acutely aware that the children in our schools are not just students. They are primarily persons and each is different and unique. The great human challenge is to become the fine person each of us can be and the years of schooling are crucial for the growth of each person towards that goal.

There is a famous marble statue by Michelangelo of David, the towering warrior king we read about in the Bible. If we had visited his workshop in Florence at the time he produced this work, we would have seen a great big block of marble, no different from any such piece of marble. But Michelangelo saw something else – he saw David in that marble and set to work to bring him out of that raw material. I often think that is a good paradigm for education. From that raw material that is a child, parents and teachers seek to bring out the potential person that each child can be. This requires that the child develops many and varied skills which the schools will seek to provide in order to achieve the child's potential as an adult.

In the end however, this responsibility of parents and teachers needs a clear vision of what that person should be like. It is not about being something but someone. The Catholic School puts before its students the person of Jesus Christ as a model to aspire to. Surely a reach too far! Not really. That same Jesus provides us with a profile, which in a special way, defines the good human being. We call that profile the Beatitudes, which introduce the fifth chapter of St. Matthew's Gospel.

In our schools the children will have standards of conduct put before them and in doing so the school will simply be reinforcing the work of parents. It cannot however, replace the profound influence of parents on their children.

I trust that this partnership between parents and the school will achieve the result that you sought when you enrolled your children in the schools of St. Agnes' Parish.

Yours sincerely

Fr Paul Gooley
Parish Priest

St Agnes' Primary
Principal: Mrs Ginaya Yarnold

St Joseph's Primary
Principal: Mrs Leisa Fisher

St Peter's Primary
Principal: Mr Geoff Leary

Background

The first Sisters of St Joseph arrived in Port Macquarie in 1913 and established a Primary School in an old printing office in Horton Street. In 1926, the Primary School moved to new premises in Hay Street (Parish Administration Centre) and this site continued to be St Joseph's Primary School until 1980 when it became necessary to build a new school to accommodate the ever-increasing number of pupils.

From 1975 to 1980, building took place in Bay Street (now Warlters Street) and in November 1980, this new St Joseph's Primary was officially blessed and opened.

St Joseph's Primary remains a two stream school. St Agnes' Primary established in 1982 is a three stream school. St Peter's Primary established in 1993 is a three stream school.

Mission

Each of these schools is seen to be a growth centre where a partnership between staff, parents, students and parish

- strives to create an environment which nurtures a Christ-centred community reflecting the Gospel Values
- enhances the learning and development of the whole child
- fosters an understanding of, and witness to, our Catholic faith by sharing in the evangelising Mission of the Church

Zoning

St Joseph's Primary School encompasses the Settlement Point area, Clifton, the racecourse area, Lake Innes, Sovereign Hills, Rawdon Island and Telegraph Point.

St Agnes' Primary School encompasses the coastal strip from Town Beach to the corner of Kennedy and Pacific Drives; the area West of Kennedy Drive through to the CBD; the area south of the Oxley Highway and out to Innes Lake / Brierley Hill.

St Peter's Primary School encompasses Green Meadows, Crestwood, Emerald Downs, Lighthouse Beach, South of Port Macquarie and Lake Cathie.

Curriculum

NSW Education Standards Authority (NESA) sets the learning requirements for each Stage of primary school.

The four stages are:

The NESA syllabuses state what must be taught in these six key learning areas:

- English
- Mathematics
- Science and Technology
- Human Society and Its Environment (HSIE) (History and Geography)
- Creative Arts
- Personal Development, Health and Physical Education (PDHPE).

As educators in Catholic schools, the person of Jesus Christ should be at the heart of what we teach and how we teach it. Religious Education is therefore another Key Learning Area (KLA).

The NESA syllabus requires that English and Mathematics make up about 50% of the school week – this is equivalent to at least 12 hours each week. The other subjects are spread across the remaining time.

Teaching and Learning

The Contemporary Learning Framework (CLF) is a diocesan response to the challenge to clearly articulate what we value as our educative purpose, our agreed pedagogy. A contemporary learning approach is personalised, responding to the learning needs, interests and experiences of each student. Contemporary learning is different to the way many parents of today's students were taught. It offers teachers and students many more options than the old textbook driven approach to teaching. Contemporary learning aims to empower students with the knowledge, skills and capacities to respond creatively to the challenges of their world.

Learners thrive in environments that are safe, supportive and secure. Flexible and intentionally developed learning environments encourage innovation and inquiry and help create a sense of belonging and purpose that strengthens the learning culture. These environments are stimulating and appropriately resourced. They promote high expectations and respect diversity and difference, facilitating learning for all students. Adaptive learning environments have no conventional boundaries because, being ICT rich, they are connected to the world beyond the classroom.
