Weighing the Need

What do we need to strengthen?
What else do we need to bring to
life?
What is no longer needed?

Weighing the Need

On the large sheets of paper write down three (3) areas that your group thinks are most important going forward for the mission of our parish.

Weighing the Need

1. Take 5 coloured dots from the centre of the table
2. Walk around the hall to read all the large sheets
3. Use your dots to mark the areas you consider most important going forward for the mission of our parish.
